

INTERNATIONAL SOCIETY OF REPRODUCTIVE GENETICS

Announces the Inaugural

2019 ISRG Conference

October 26-27, 2019

Kuntai Hotel, Beijing, China

INTERNATIONAL SOCIETY OF
REPRODUCTIVE GENETICS

2019 ISRG Conference

International Society of Reproductive Genetics (ISRG) is a newly established organization dedicated to advancing reproductive genetics at the forefront. ISRG is committed to establish a broad platform for international communication and cooperation to promote the development of scientific research and clinical practice in the field of reproductive genetics and facilitate the access to the latest scientific knowledge and state-of-the-art technologies of reproductive genetics.

ISRG will: (a) hold international symposia and conferences to facilitate the sharing of up-to-date research findings and clinical experiences in reproductive medicine and genetics; (b) provide professionals in reproductive genetics opportunities to learn and master the state-of-the-art techniques with professional trainings and seminars; (c) establish standards for the ethics, safety and quality of medical practice in the fields of reproductive medicine and genetics; (d) collaborate with regional and international organizations to promote communication and collaboration in scientific research, technology development, clinical practice and education pertinent to reproductive genetics and medicine.

ISRG is a nonprofit organization based in California, US with many founders being pioneers in the field of reproductive genetics.

The inaugural ISRG conference will gather experts across the world to present and discuss revolutionary advances in reproductive genetics. English will be the working language used at the conference, simultaneous interpreting to Chinese will also be provided.

LOCATION

Kuntai Hotel, Beijing

TIME

October 26-27, 2019

CHAIRS

Jie Qiao of Peking University Third Hospital

Xiaoliang Sunney Xie of Beijing Advanced Innovation Center for Genomics at Peking University (ICG).

COMMITTEE MEMBERS (in alphabetical order)

Alan Handyside, Hefeng Huang, Taosheng Huang, Yanping Kuang, Ge Lin, James P. Lin, Denis Lo, Jie Qiao, Yiping Shen, Alan Thornhill, Xiaoliang Sunney Xie, Zhihong Yang

The Conference is mainly sponsored by **ICG, Peking University** and **Peking University Third Hospital**.

CONFERENCE TOPICS

Noninvasive prenatal testing (NIPT)

Preimplantation genetic testing - aneuploidy (PGT-A)

Preimplantation genetic testing - monogenic disease (PGT-M)

Noninvasive Preimplantation Genetic Test (niPGT)

Single cell genomics

Genetic causes of infertility

Pathogenicity assessment of genomic variants

Mitochondria in reproductive medicine

Genetics in premature birth

...

To be added

KEYNOTE SPEAKERS

Dennis Lo

Biology and diagnostic applications of cell-free nucleic acids in maternal plasma

Carlos Simon

The Endometrial Factor: A new frontier in reproductive medicine

INTERNATIONAL SOCIETY OF
REPRODUCTIVE GENETICS

2019 ISRG Conference

LOCATION

Kuntai Hotel, Beijing

TIME

October 26-27, 2019

CONTACT

PLENARY SPEAKERS

Alan Handyside

Reproductive Genetics: Progress over 40 years

Xiaoliang Sunney Xie

Toward Noninvasive PGT-a and PGT-m

Jie Qiao

Genetics, Epigenetics and Diagnosis of Human Pre-implantation Embryos

...

To be added

ABSTRACT DEADLINE

Abstracts for contributed oral and poster presentations are due on Sep. 10th, 2019.

PRE-CONFERENCE TRAINING (ELECTIVE)

Pre-conference technical courses will be provided from 14:00 to 18:00 on Friday, Oct. 25, 2019 at Peking University Third Hospital.

EXHIBITIONERS AND SPONSORS

By sponsoring the inaugural 2019 ISRG conference, you will be joining the advancement of reproductive genetics and contributing to the health of future generations.

ISRG values the support from companies and organizations that understand the importance of reproductive genetics and are empowered to push its development. We invite you to join us to launch the ISRG's inaugural conference.
